**Subject:** Hot Issues - TX Environmental Superconference

Good morning all,

Hope everyone is doing well.

Acting RA Gray will be speaking at the Texas Environmental Superconference on August 2. He'll be joining TCEQ Commissioner Emily Lindley and OK Secretary of Energy & the Environment Kenneth Wagner on a panel.

Although the conference is Texas-centric, other states send representatives to attend.

To prepare the Acting RA for the Superconference, please submit any hot issues for the region to me by COB on Wednesday, July 24<sup>th</sup>.

Below is a list of hot issues we received from the R6 State Directors Meeting. Let me know if you need a copy of the issue paper for updates and I can send your way.
